

Network Profile				
Network Name: Indiana Aging Alliance, LLC, a subsidiary of the Indiana Association of Area Agencies on Aging.				
Network Structure Type (e.g.: informal coalition or more formal structure such as MSO, LLC, signed MOU agreement, etc.):				
We created the Indiana Aging Alliance, LLC, in June 2014 as a wholly owned subsidiary of the IAAAA trade association. This facilitated participation by two of our 16 members who are university affiliates, and may have had barriers to LLC ownership.				
Contract Prospects (e.g.: names of potential integrated care entities- health plan, hospital, ACO, MCO, etc.- you are targeting for contracts):		Potential Target Population (e.g.: dual eligibles, duals with multiple chronic conditions, EBP targets, high risk, etc.):		
Statewide, we currently targeting Indiana managed care entities contracted with Indiana Medicaid: <ol style="list-style-type: none"> 1. Anthem 2. MHS (Centene) 3. MDWise Individual AAA members have relationships with local hospitals, ACOs, etc., that we may be able to leverage.		Statewide, we are currently focused on Indiana Medicaid populations under management with the three MCEs. Indiana Medicaid currently does not have duals management program. Individual AAA members have relationships with local hospitals, ACOs, etc., that we may be able to leverage to other populations.
